

Max Lerner, Author of Brilliant Articles and Books, Is to Be Here

On January 28, He Is to Analyze Complexities of International Affairs.

Is Now at Williams College

Former Editor of "The Nation" Is Widely Recognized for Clear-Headed Grasp of Problems.

"A Fighting Faith for America" will be the subject of a lecture by the distinguished editor, author, and teacher, Professor Max Lerner, at the College auditorium the evening of January 28.

Formerly editor of "The Nation," liberal weekly, Dr. Lerner is widely recognized as one of the outstanding political thinkers and writers. His brilliant, analytical articles have appeared in many leading magazines.

Dr. Lerner gained national prominence for his books, "It Is Later Than You Think" and "Ideas Are Weapons," in which he exposed the grave dangers confronting American democracy, and voiced the need for united action to defend democracy.

He resigned from "The Nation" to become professor of government at Williams College, Williamstown, Mass. An eloquent speaker and profound thinker, his appearances on lecture platforms and on the radio have been enthusiastically received.

Dr. Lerner's most recent book, "Ideas for the Ice Age: Studies in a Revolutionary Era," is reviewed in the magazine "The New Republic" for the week of January 12.

"Mr. Lerner writes well and with ease," says the reviewer; "his style has the flavor of crisp and fluent speech."

"Democracy, Mr. Lerner insists, can indeed act with power and decision without sacrificing liberty, but in order to do so it must find new self-confidence. There must be 'ferventness of belief' in the democratic way of life sufficient to match and overcome the fanaticism of the Nazis. The emotional and intellectual depths of the present crisis must be recognized."

Dr. Lerner's appearance here will mark the third major entertainment in the series of five planned for 1941-42. General admission is \$1.00. Reserved seats for the lecture, for 25 cents extra, will be available beginning January 22 at Kuebs Bros. Students and faculty members will be admitted on their activity cards unless they wish reserved seats.

Dr. Lerner's appearance here will mark the third major entertainment in the series of five planned for 1941-42. General admission is \$1.00. Reserved seats for the lecture, for 25 cents extra, will be available beginning January 22 at Kuebs Bros. Students and faculty members will be admitted on their activity cards unless they wish reserved seats.

In his book Mr. Lerner discusses how to preserve the values of a liberal civilization and yet meet the strange new problems of our time with devices not found in the armory of that civilization; how to make of democracy as effective a military machine as Nazism, and reconcile a planned society with individual liberty, national interest with international fraternity, technology with humanism; how, in short, cultural continuity shall be wedded to the military and political revolution of our day.

In conclusion, the reviewer writes: "His journalism remains alive because, when all is said and done, it is informed by common sense and a very practical idealism. Since fascism is powerful, we must stiffen the backbone of democracy; laissez-faire having broken down, let us try planning; since barbarism is threatening to engulf the world, we obviously must reassert the values of humanism and enlightenment."

Mr. Lerner's appearance here will mark the third major entertainment in the series of five planned for 1941-42. General admission is \$1.00. Reserved seats for the lecture, for 25 cents extra, will be available beginning January 22 at Kuebs Bros. Students and faculty members will be admitted on their activity cards unless they wish reserved seats.

Students "Joining Up" Write for Transcripts

Letters are coming from former students to Mr. R. E. Baldwin, registrar, asking for transcripts and recommendations to be sent for them so that they may enlist for various types of defense work. Monday a letter came from D. M. Tennant, who has been teaching at Corder, Missouri, asking for his credentials to be sent for the Naval Air Corps.

Donald Broyles, who has been teaching at Farragut, Iowa, has called for his transcript and a recommendation in order to enlist for Naval Reserves.

Health Group Meets

On Saturday morning, January 10, the Physical Education department, with Dr. F. R. Anthony and Miss Frances Aldrich, college doctor and nurse, respectively, met in conference to discuss and consider what could be done in regard to maintaining and improving the health of students. All members of the department felt that it was of major importance now for students to be made more health conscious and interested in their own health as a part of National Defense. Plans were made and will soon be put into effect.

First Aid Course Is to Be Started Here Monday

Mr. E. A. Davis, director of athletics and physical education, announces that he is starting a class in First Aid as a part of general defense work. The class will probably be held from 5:00 until 6:00 o'clock on three afternoons of the week. Those who are interested should report to Mr. Davis, who hopes to get the class organized as early as possible. The class will meet Monday afternoon at 5:00 o'clock at the Gymnasium.

The course is to consist of 20 lessons. Those who take the course will be ready for certification at the close. They will have to pass the requirements set up in the Red Cross Manual for certificates.

The course will cover such topics as bandaging, artificial respiration, and digital pressure points to control bleeding. Both demonstration and practice methods will be used.

The course is open to both men and women, and townspeople will be welcome to join the class.

Other members of the physical education and health department of the college will assist Mr. Davis.

Senate Arranges for Sunday Morning Hour

The Student Senate will have charge of the program for the Sunday Morning Hour and will present the same program they had planned for last Sunday. Miss Isley will be the speaker.

The Sunday Morning hour was called off last Sunday because of the cold weather. The program schedule will be moved up a week and the Senior class will have charge of the meeting Sunday, January 25.

Women Are Needed to Serve as Dietitians

There is an urgent need for dietitians in the military service. The Federal Government is seeking women who are qualified to serve as dietitians in the military service. The Federal Government is seeking women who are qualified to serve as dietitians in the military service.

To be qualified for the position of student dietitian one must have a degree of bachelor of arts or science in a college or university of recognized standing giving an accredited course for the profession of dietitian. Applications will be accepted from senior students. The applicant must be between the ages of 20 and 35 years, and must be in sound physical health and capable of performing arduous duty.

The necessary application forms may be obtained from the Secretary, Board of United States Civil Service Examiners, or at any first or second class post office.

Credit Union Declares Six Percent Dividend

The annual meeting for the Northwest Missouri Teachers Credit Union was held Saturday, January 9, at 2:00 o'clock, in Room 224 at the College. The attendance was smaller than usual on account of weather conditions and tire rationing.

The supervisory committee was re-elected: President Uel W. Lamkin, W. H. Burr, and L. A. Zelliff. In accordance with a ruling recently received from the State Auditor's office, only three members may serve on the Credit Committee; heretofore, five people have been on it. The expiration of the terms of Miss Lucille Brumbaugh and Mr. Bert Cooper, left three members still in office; therefore no election was held, the three remaining members continuing to serve. These are Mr. R. T. Wright, S. W. Skelton, and Mr. Homer T. Phillips.

The retiring members of the Board of Directors, Dr. Anna M. Painter, Mr. Leslie Somerville, Mr. Charles Myers, Miss Chloe Millikan, and Mr. H. R. McCall, were all re-elected with the exception of Mr. McCall, who requested that his name be dropped as he had removed from the district. Mr. R. E. Baldwin was elected in his place.

In organizing the Board of Directors for the coming year, Mr. Fred Keller is chairman, Dean J. W. Jones is vice-chairman, and Mr. Somerville is managing director.

A six-percent dividend was declared. Mr. Somerville was empowered to buy a one-hundred-dollar Defense Bond each month for the coming year.

Jack Salmon Writes
Jack Salmon is now at San Antonio, Texas. He writes saying that he would like to know what College people are doing. His address is Aviation Cadet Delbert Junior Salmon, Pilot Replacement Center, Squadron 1, Flight, D San Antonio, Texas.

Dr. DeJarnette Speaks Before Mothers' Club

Dr. Reven S. DeJarnette spoke on the afternoon of January 13 to the Second Grade Mothers' Club at the Horace Mann Auditorium. The topic was "Music in the Home." Emphasis was given to the thought that since a person's attitudes and tastes are the result of his experiences, it was the responsibility of parents to surround their children from birth with the music and other culture which they hold as the ideal. An example pointed out was that of the "Quiz Kids" radio program.

Investigators who select these unusual children have found that back of each of them is an interested grown-up who has made it his or her job to encourage and stimulate the child.

The latter part of the program was given by Miss Ruth Nelson, pianist, and Miss Alice M. Isley, violinist, of the Conservatory of Music Miss Nelson's selections were "Frasquita" by Lake-Kreiser, "Serenade" by Toselli, and "Humming Bird" by Dr. M. Isley played "Reflections by in the Water" and "General Levine," both by Debussy.

The Department of Speech is planning an active program schedule for the forensic and debate participants. A great deal of interest has been aroused by the new question, "Resolved: that the democracies of the world should form a new federation to establish and maintain the eight Churchill-Roosevelt principles."

While the schedule is not complete, a number of activities have been planned for the debaters and the speech department in general. On February 7 the debaters will attend a tournament at the state teachers' college at Warrensburg.

On February 18 the speech department will present an assembly at which time an Oregon style cross-question debate between Maryville and one of the neighboring state teachers colleges will be held.

On February 20-21, the Speech department will be hosts to the district high school debate tournament. Leading high school debate teams in the district will compete to decide the best teams. These winning teams will then enter the state high school tournament at Columbia.

The speech department will enter the State Tournament at Springfield. This tournament is in the fields of debate, extemporaneous speaking, after-dinner speaking, and oratory. All students of the College who are interested in oratory extemporaneous speaking, or after-dinner speaking, should see the head of the Speech Department Mr. Rudin, as soon as possible.

On April 3-4 the Speech department will enter the National Phi Kappa Delta Forensic tournament, at Minneapolis, Minn. This tournament will be in the fields of debate, extemporaneous speaking, and oratory. Only members of Phi Kappa Delta, national honorary speech fraternity, are eligible to compete at Minneapolis.

Although "Don Quixote" no doubt furnished the leading idea of "The Knight of the Burning Pestle," its main purpose was evidently to ridicule the military ardor of the citizens of London as exhibited in Heywood's "Four Prentices of London," Kyd's "Spanish Tragedy," and other popular dramas. After the revival of the play by Her Majesty's servants at the Private House in Drury Lane in 1635, it continued to be performed at intervals until the suppression of the theaters under the commonwealth. On the Restoration it again took possession of the stage and was acted at the King's House.

Next week—January 22—Mr. Robert L. Main of the speech department will read Massinger's "A New Way to Pay Old Debts," and the final play in the series will be Shakespeare's "Twelfth Night," read by Mr. Eugene E. Seubert, of the English department on January 23.

Harry Irvine is now athletic director at Camp Chaffee at Fort Smith, Arkansas. He came there from Fort Warren, Cheyenne, Wyoming, where he had been working as personnel clerk.

Mr. Irvine was inducted into the Army at Fort Leavenworth, October 6. He was held there the maximum of 21 days as in interview. From there he went to Fort Warren, where he was in the quarter-masters corps. He attended administration and personnel school while there.

During the last week of the Christmas vacation, Pauline Staggs visited at Camp Polk, Louisiana. Miss Staggs is a sophomore at the college and stays at the Newman Club House.

William D. Somerville spent the holidays at home. Since his graduation from the College, he has been teaching vocal music in the junior high school in Saginaw, Michigan.

Father Gidley Speaks to College Students Here

The Newman Club met last Thursday night in Social Hall at the College with the Reverend Father Lawrence Gidley of Conception College as guest speaker. Father Gidley, a former College student, gave a very challenging and inspiring talk on "The World After the War".

Father Gidley said that after this war is over the "old America" will be dead, and a "new America" must be built. He said that the new America must be built on Christian principles, and that it is up to us to keep those principles intact, to live up to them to the highest of our ability, so that we will be prepared to the highest of our ability.

He paid a very high compliment to the President of our country, saying that we were indeed fortunate to have such a leader at this time of crisis. Also, he praised Pope Pius XII and Winston Churchill, saying that all three of these men are working for the same thing and were God-sends at this time.

At the meeting, an announcement was made that Tower pictures of the club would be taken Sunday night at 6:30 at the Newman Club House, 311 West Third street. All members should arrange to be there on time.

Mr. C. E. Wells Is Sub-Chairman for Victory Campaign

Mr. C. E. Wells, librarian, has accepted a sub-chairmanship of a committee to organize Nodaway, Atchison, Worth, Holt, and Andrew counties for a Victory Book Campaign to collect books for men in training and aboard ship.

The organization has been set up, the country over, by the American Library Association, American Red Cross, and the United Service Organization to collect reading material for the many needs arising from national defense and the war program. The goal is ten million books.

Miss Ruth O'Malley, executive secretary of the Missouri Library Commission in Jefferson City, is director of the Victory Book Campaign in Missouri.

Mr. Wells urges students and townspeople to make their donations of books as soon as possible. They may be brought to him at the college library for shipment or left in the office of W. H. Burr, county superintendent of schools, at the court house.

"Send good books that are enjoyable and informing—either classics or good current volumes," say members of the state executive committee, "and know you have helped develop reading tastes and the technical background of some young fellow away from home and eager for good books."

Unbound files of magazines are not being solicited, according to Miss O'Malley, but magazine subscriptions are welcome and may be arranged for through Mr. Wells.

National headquarters for the campaign also urges that donors write their names and addresses in the books they give. They believe that knowing the source of these gifts will cause our soldiers, sailors, and marines to place special value on them, and may lead to a correspondence that will hearten a man who finds a friend through a book.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will respect and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

... BOO WHO? ...

Some few persons remember the day when it was not at all inappropriate to "Boo!" the referee when his decision was the least bit questionable. But the vast majority of us have been taught to believe that booing is unsportsmanlike and crude. It cropped up at the game the other night. At first there were only a few scattered Boos; later more joined the unmelodious chorus to produce quite a sizable BOO.

Perhaps it needs to be mentioned again that referees are only human; and as humans are likely to err, so are referees. But it might also be said in passing that the referee is in the business to catch fouls. His eye is much sharper than the spectators'. Then, too, he is much more strategically located.

Monday night's game was pretty rough—the Bearcats were doing their share of the roughing. But whatever the cause for booing, nothing is accomplished by it and it sounds terrible!

ALIBI FOR TYPOGRAPHICAL ERROR

If the Northwest Missourian should have some few typographical errors, do not take the matter too seriously.

A demon statistician, Charles Whetstone, says the Cramer Chronicle, has figured out a perfect alibi for such errors. His calculations run something like this: There are 10,000 letters of type in ordinary column and seven wrong positions into which each may be put, thus making 70,000 possibilities of error, in addition to the millions of chances for transpositions; carried out, the figures show the chances are 4, 480, 000, 000, 000 to one that eight perfect pages cannot be issued.

How many chances would there be that the regular four-page Northwest Missourian would ever be entirely free from error?

Quotable Quotes

"With the world at its worst we need education at its best."—Dr. Harold Hunt, Superintendent of Schools, Kansas City to Knights of the Lickory Stick at meeting in St. Joseph.

"With the federal government spending millions on inter-American cultural co-operation and furthering the interchange of hundreds of American and Latin American intellectual leaders, Americans must become more intensive and more efficient students of foreign languages. If you find inter-cultural co-operation, you must meet the other fellow on his own ground; you must literally 'speak his language.'"—Dr. Edwin H. Seydel, University of Cincinnati.

"Freedom of mind, social mobility through education, universal schooling—these are the three fundamentals of the Jeffersonian tradition. They have represented the aspirations and desires of a free people embarked on a new experiment, the perpetuation of a casteless nation. To many of the present college generation the phrase 'quality of opportunity' seems a mockery, a trite imitation of idle words. In this I see the major challenge to our educational system, a challenge which can be met only by a radical reconstruction. If the nation wants to bend its efforts to have as free and classless a society as possible, then for those of us concerned with schools and colleges our course is clearly plotted. Is it too late, too late for our schools to revitalize the idea of a casteless nation? Can we complete the necessary major re-adjustment in our educational system in time to prevent the extinction of the Jeffersonian tradition? I believe we can, if we make haste. I predict at least another century of vigor for the American ideal."—Pres. James B. Conant of Harvard University.

From the Dean

Some day each of our students will face a critical problem the solution of which will be of great importance in his life. There will be many such problems no doubt in the lives of some. There is not a member of the faculty of this college who would not gladly help the student in the time of trouble. But the faculty will not be there; the student will have to face the problem alone. However, the future is not too black, for there is an opportunity NOW to get ready to meet these critical problems. This opportunity lies in the many ways in which the student can prepare for the future. One way is to do his best work on each task that has to be done. I do not believe that all you learn will be of service in all your trying days ahead, but I do insist that the habit of always doing your very best will carry you through many of the trials.

—J. W. Jones

BULLETIN BOARD

Approved Grades
Students interested in making application for approved grades on credit established during the current quarter, should call at the office of the registrar sometime prior to the close of the quarter. Application blanks for this purpose have been received from the State Superintendent's Office and are on file in the registrar's office.

R. E. Baldwin,
Registrar.

Candidates for Degrees and Certificates Close of 1942 Summer Quarter

All students who are in residence at the present time and who expect to complete the curriculum requirements for the B. S. or A. B. degree, or the Sixty Hour Certificate, at the close of the 1942 Summer Quarter, are requested to make formal application for the degree or certificate in the office of the Registrar sometime prior to February 2, 1942.

It is the desire of the Registrar to furnish a Senior Statement Sheet (a statement of all remaining requirements) by the opening of the Spring Quarter in order that the student may use it as a guide at the time of Spring Quarter registration.

R. E. Baldwin,
Registrar.

Mid-term grades for the Winter Quarter will be due the week of January 21, 22, and 23. Grades will be due in the office not later than January 27.

J. W. Jones,
Dean of the Faculty

The Madrigalists, a select ensemble of seven mixed voices, will accept a new contract for membership at once. This is a rare opportunity for the right person. If interested, please apply to Dr. DeJarnette, Room 301.

Learn to Knit

Miss Dykes announces that she will teach girls to knit if they wish to make knitted garments for Bundles for Britain or Bundles for Blue-jackets or the Red Cross. She is meeting one group at her home, 611 North Buchanan, on Monday evening. Those who wish to attend this meeting should see Miss Dykes, as she can teach only a limited number at one time.

President's Ball

Miss Lippitt states that on the night of the President's Ball, January 30, special per-

Exchanges

'Natural' Man
Detroit, Mich.—To Russell Allen, twenty-six-year-old die-maker of Detroit, shoes are only the dictates of dignity. Nightly he can be seen walking down Detroit's streets—sans shoes. He says shoes aren't natural and has gone barefooted for years. He was sickly until he adopted a diet of foods in their natural state. His only meat is raw beef.

Collegiate...

By Mary Ville.

Good posture is a requisite of good appearance. Beauty of face or handsome clothes do not cover up poor posture or awkwardness. Awkwardness and lack of poise are usually caused by poor body mechanics, that is, improper handling of the body and poor posture and locomotion.

Freshmen students are made posture conscious early in their college careers here by the posture pictures, orthopedic examinations, and corrective exercises given them in Physical Education classes. These exercises and this knowledge of posture faults is not very valuable unless some work is done outside of class.

Around us every day are examples of middle-aged people who are bent and unattractive because of posture faults. These posture faults were becoming fixed patterns throughout early life. It is important for college students to be posture conscious, and to start immediately a vigorous campaign to improve posture, and appearance, by exercises and practice of good posture.

Any member of the Physical Education department is willing to help with this problem at any time. Students should ask this help, for without conscious improvement, posture will be no better at the age of forty than it is at twenty; in fact, it is likely to be much worse, because of fatigue and bad habits of sitting and standing.

Make a good impression! Improve your health, and raise your morale with correct posture.

This Collegiate World

GLENNVILLE, W. VA.—(AOP)—State Teachers college males, especially those from Louise Bennett hall, dormitory for men, are chanting a lot of once-familiar hit tunes these days and in addition a new number titled "Kanawha Hall Girls, Aren't You Coming Out Tonight?"

On more than one occasion, just after the shades of evening dropped over the green campus, the male chorus, neither hand-picked nor formally trained, went like Romeos to the lawn in front of Kanawha hall, dormitory for women, and there offered the new vocal number, plus such old favorites as "Especially for You," and "Playmates, Come Out and Play With Me."

Not to be outdone, girls responded with a new version that sounded like "I'm Sorry, Playmates, I Can't Play With You; I'm Campused, BOO! HOO! HOO!"

To which the boys replied with Barbara Field's arrangement of "Good Night, Ladies, We're Going to Leave You Now."

And what's behind all this singing? All but three girls in the hall recently violated bed-time rules and were "Sentenced" to demerits, which forbid their leaving the hall after 8 p. m.

Dr. James Moffatt Will Teach at Drew Seminary

MADISON, N. J.—(ACP)—Dr. James Moffatt, author of one of the most widely read modern speech versions of the Bible and professor of church history at Union Theological seminary, has accepted for the fourth year a visiting professorship on the faculty of Drew Theological seminary.

He will continue courses which this year have included a series of lectures on the Psalms, the Gospels, the Ministry of Jesus, the Wisdom Literature, and the Parables of Jesus.

Quad Highlights

Old man "Winter" and "Jack Frost" cooperated last week to play a trick on the Quad residents. It seems that frost formed along the inside of the roof as moisture condensed when it came into contact with the cold surface. Then when the temperature rose the resultant water found its way into several rooms via the ceiling route. The problem has been solved by permitting greater circulation of air in the dormitory attics.

"The lonely sea and the sky" has beckoned to Ralph Strange, the Quad's savage gentleman. Last week Ralph took preliminary examinations for entry into the Naval Reserve upon completion of his college work. He plans to return to Kansas City next week to complete his application.

Raymond Kitt, Bruce Peters, Lee Vannoy, Paul Gates, Bob Fletcher, Stan Totoraitus and Art Schmagel are in the act of pledging the "M" Club. The painful fact stands out that these stalwart athletes are getting acted upon in a robust fashion. However, a happy end will soon be reached and they can again sit down (painlessly) to eat with the rest of the Quad boys.

The quietness here in the little square probably indicates foresight on the part of the studious residents. At any rate mid-term exams are drawing near, too near to permit loafing without discomfort. Perhaps the investigation into mental telepathy by Henry Moyers and L. B. Sloane is an attempt to find a substitute for studying for the mid-term exams.

What to do at the end of a day when the mercury would "get up" was a problem at the Quad. But the problem has been solved by card games and occasional boxing bouts. Some outstanding pugilists have come to light by the matches in "Quad Square Garden," but ratings will be withheld until a worthy challenger has been developed.

Gilbert "Red" Rider is back in the Quad fold. Rider remained at his home after the holiday vacation because of his father's illness.

Excitement developed in the Quad dining hall when Paul Wilson strode in for breakfast at 7:00 o'clock one morning last week. Arguments are now in progress as to whether "Georgia" fell off his top bunk and could not get back, or whether he was testing a New Year's resolution.

Causes of headaches suffered by the majority of the men here have been determined to be Ted "Heracles" Woodward's singing, Andy Johnson's bassoon droning, and Bob Shankland's tuba tooting. The causes have been eliminated; the men are on probation.

University Has Records Made of Hitler's Voice

PHILADELPHIA, PA.—Phonographic records of speeches of Adolf Hitler and other German leaders during the early part of the Nazi regime have been presented to the University of Pennsylvania.

The recordings, believed to be the only ones now in existence, were donated by Dr. Robert M. W. Kempner, legal adviser to the Prussian police under the Weimar Republic. They were confiscated by state police in raids on early Nazi headquarters in Berlin.

Professors at the University plan to use the records in teaching European history and political science.

Pembroke college's freshman enrollment of 165 is up 30 per cent over last year.

Seventy-two per cent of students interviewed in a recent college survey owned cameras.

The Stroller

The Stroller has spent so much of his time this week enjoying the warm (if wet) weather that he has almost lost out on all the local news. The column must go on as usual, however, so with or without news here goes!

The M Club is really giving its pledges quite an initiation. When those paddles hit! Well, the Stroller is glad he isn't a pledge. One little freshman girl remarked that it really hurt her more than it did the boys. The Stroller's vote for the cutest glamour girl of the current crop of M club debutantes goes to Miss Artie Schmagel of St. Louis.

Two more of the College men, Raymond Kitt and Bruce Peters, have left school, but one absentee, John Seyforth, has returned, and so perhaps the ratio of men and women won't be entirely out of proportion.

Incidentally Beulah Wilkinson is now sporting one of those little tokens on the third finger of her left hand. Congratulations kids!

Dorothy England is really quite thrilled over some airmail letters she has been getting from a certain lad down at Port Jackson, S. C.

Jack Smith was definitely interested in a certain picture appearing in the current Life magazine. Perhaps he's turning into a "Stage-door Johnny." (See brief article elsewhere in this issue.)

Speaking of pictures, a recent issue of the Kansas City Times carried a picture which for some reason seems to be the personal property of one Dorothy Lee Montgomery. What have these M. U. boys got that S. T. C. hasn't?

The Stroller heard the best story about a three o'clock mathematics class which had to stay after school one day. It is rather queer the way janitors do turn up in the queerest places at the best times.

One-half of the Myers aggregation soon plans to join the armed forces. At any rate "Blackie" will take his physical examination this week. The Stroller hopes he succeeds as well with Uncle Sam as he has with the Bearcats.

The Stroller would like to learn the technique of roommates, Helen Boyersmith and Jean Gilpin, for holding their men so well. Chet Parks and Howard Bauer seem to enjoy it too; so it must be a painless method.

Several of the couples of the past seem to have patched up their differences or disabled them. At any rate things seem to be running smoothly in the combinations of Rudolph-Curnutt, Wilson-Cruz, and Bauer-Jantz.

The Stroller has really been enjoying all the dances the college is having. It has been a long time since we had dances regularly, but once again we seem to be "in the mood."

Bill Wright seems to have fallen hard for little "Red" Arnold. This Maurice Cook-Jan Jordan affair is nearing the point where it comes under the classification "steady."

Barbara Kowitz after seeing "Keep 'em Flying" has been talking about soldiers "duck walking." Could she possibly have seen the goose-step? That reminds the Stroller of one of the faculty members who, in trying to talk about Climbing Hill, Iowa, got about as close to it as Leaping Mountain, or the railroad porter who called, "Elevensworth, Kansas, next stop!"

The Stroller has been trying all week to find out what the occasion was for the "black-out" at Miss Kramer's party Saturday evening. He heard that when somebody trumped somebody else's ace, the fuse blew out, but the lady who did the trumping denies that. He heard from another source that the theme of the party was "Defense," and the editor of the Northwest Missourian says, "I was naive enough to believe that the black-out was part of the program." Somebody was mean enough to suggest that Miss Kramer's father just turned off the lights as an indication that it was time to go home. It is known, at least, that Miss Alice Hsley had to pick up her refreshments and run in order to lock up the dormitory in time!

Some of the College young men are urging the girls to learn to knit. For the "duration?" Yes, but the boys say it will come in handy later when husband wants a new sweater!

With a dance Friday night and one Saturday night and a game thrown in, the Stroller is expecting to have a hard week-end. Where most people keep their noses to the grindstone, the Stroller has to keep his nose at the keyhole.

Until next week, the Stroller is going to bed.

Ginger Snaps

Perhaps everyone knows about Idaho Russett and Ohio Red who did not want their daughter, Sweet Potato, to marry Kallenborn because he was just a Common laborer.

Preliminary figures compiled by the Safety Bureau of the State Highway Department show traffic deaths in Missouri reached an all-time high in 1941. At least 1,070 lives were lost, exceeding the previous high mark of 1,043 by twenty-seven. In 1940 there were 822 fatalities as a result of highway accidents. The greatest number of accidents in 1941 occurred on highways 66, 61 and 71.

SOCIAL WHIRL

All-College Dance Will Follow Game

Dance Band Will Furnish Music From 9.45 p. m. Until 11:45.

An all school dance will be held in the Old West Library tonight after the Maryville-Cape Girardeau basketball game. The dance, which will last from 9:45 o'clock until 11:45 o'clock, will be managed by the Independent Club, of which Dr. Albert Blumenthal is sponsor. The dance band will furnish the music for the dance.

Members of the committee in charge of the preparations for the dance are Barbara B. Kowitz, Smith, Elaine Gorse, and Frances Amth. Blumenthal is acting chairman of the committee.

The committee stated that plans are formulated to make the dance interesting to all so that no one will be on the sidelines. The committee also stated that it is planning for a large attendance and hopes that all who like to dance will come.

The admission for the dance is twenty cents.

Varsity Villagers Pass Basket Through Town

The Varsity Villagers' Council met last Tuesday afternoon to discuss the Box Supper Dance which will be given on January 23.

In accordance with Religious Emphasis week, it was decided to give a chili supper and to invite a guest speaker. Committees were appointed to set the date and place of the supper.

Following the treasurer's report, the council decided to start a drive to raise money for the organization. They plan to pass baskets around to the various houses in town. In the basket will be placed some useful gift, either food or some piece of handwork. The receiver of the basket will take the gift in the basket and pay whatever she considers it worth. Then she, in turn, puts some gift in its place and passes the basket on to some other Varsity Villager. No member can keep the basket for more than three days.

Intermediate Teachers' Club Has Chili Supper

The Intermediate Teachers' club of the Horace Mann training school had a chili supper at the dream kitchen at 6:30 Monday evening. Twenty-two members were present.

The committee for the supper was made up of Phyllis Watsbaugh, Irene Hoover, Freida Barrett, Donella Taylor, and Christopher Evans. After the supper the group attended the Bearcat-Rockhurst basketball game.

Former Student Marries

Miss Eleanor Arenston, who attended the College last year, was married Saturday, January 10, to Ted Allen. The ceremony took place in the Baptist church of Maryville and was performed by the Reverend Fred Terry. The bride wore a dusky rose crepe suit and carried a bouquet of white asters and lilies of the valley. Mrs. Frank Moore sang "I Love You" and "I Love You Truly," accompanied by James Montgomery.

Mr. and Mrs. Allen left for a short trip, after which they will make their home at Harlam, Iowa, where both are employed.

Mrs. Angelica Mendoza de Montero of Buenos Aires is winner of a Columbia university scholarship awarded by Thomas J. Watson, president of the International Business Machine corporation.

Varsity Villagers to Have Box-Supper Dance

The Varsity Villagers are planning one of their major social events of year, a box-supper dance to be held on January 23. Each villager will bring a guest and a big box filled with good things to eat. The girls will present their guests with a beautiful corsage and escort them to the party. Corsages as well as boxes will be judged.

After the supper the girls and their guests will attend the Warrensburg-Maryville basketball game. After the game they will entertain with dancing and games in the Student Center.

Ruth Sanders is the general chairman. Dorothy Bundy, Zoe Miller, Elizabeth Jones, Eleanor Hartness, Lois Carmichael, Irene Gault, and Shirley Kline are assisting her.

Each Varsity Villager is urged to come and bring a guest.

The committee chairman for the dance are as follows: Entertainment, Zoe Miller; contest, Eleanor Hartness; refreshment, Lois Carmichael; ticket selling, Irene Gault; clean-up, Shirley Kline; guest, Elizabeth Jones; publicity, Dorothy Kingsley; general chairman, Ruth Sanders.

Miss Kramer Entertains Guests Saturday Night

Miss Helen Kramer entertained with a bridge party Saturday night at her home at 210 Grand Avenue. The patriotic theme was used in table appointment. The high score winner, Miss Eunice Scott, and second-high winner, Mrs. Norval Saylor, received defense stamps as prizes.

The guests were Misses June Cozine, Mattie Dykes, Marjory Elliott, Alice Isley, Marian Kerr, Inez Lewis, Marian Lippitt, Ruth Nelson, Margaret Owen, Dorothy Truex, Evelyn Badger, Elizabeth Botkin, Velma Cass, Mary Ellen Horan, Evelyn Piper, Eunice Scott, Marjory Stone, Laurance Woodward, Barbara Zeller, Marie Bluel, Maxine Williams, Martha May Holmes, Ruth Miller, Mabel Clair Winburn, and Mrs. Harry Copeland, Mrs. Norval Saylor, Mrs. Robert Geist, Mrs. Frank Garten, and Mrs. Dean Rowley.

Sigma Taus Hold Pledge Dance at Country Club

The members of the Sigma Tau Gamma fraternity held an informal pledge dance at the Country Club from 9 until 12 o'clock, Saturday, January 10. Eugene French was chairman of the pledge committee and Bill Phares was chairman of the social committee.

Chaperones for the dance were Mr. and Mrs. Kenneth Simons and Mr. and Mrs. R. T. Wright. Honor guests who were invited to attend were Mr. and Mrs. Wilbur Stalcup, Mr. and Mrs. E. H. Klempf, Mr. and Mrs. D. N. Valk, Mr. and Mrs. Richard Sellers, and Russell Noblet.

"Y" Notes

The Y. M. C. A. and the Y. W. C. A. met on January 8. This was the first meeting of the new year and these organizations have resolved to put forth more effort for greater success.

The topic at this meeting was "Discussion," which was covered very thoroughly by Mr. John Rudin of the Speech department. He gave the five main steps in solving a problem and the types of discussion.

The Gospel Team took charge of the program at a fellowship supper held at the Methodist Church, Sunday, January 11. Kinzell Coulson and J. R. Carpenter gave talks.

Next week the "Y" organization will meet separately.

"M" Club Plans to "Swing and Sway"

Annual Dance of Athletic Group to Take Place Saturday Night.

Swing and sway the "M" Club way Saturday night, January 17, from 9 until 12 o'clock with the College dance band. The affair will be held in the Old West Library and a patriotic theme will be followed. Chaperones will be Mr. and Mrs. E. A. Davis, Mr. and Mrs. R. H. Milner, and Mr. and Mrs. Wilbur Stalcup.

Invited guests are President and Mrs. Lamkin, Dean and Mrs. J. W. Jones, Mr. W. W. Cook, Mr. and Mrs. Lon Wilson, Mr. and Mrs. R. H. Dietrich, and Miss Helen Kramer. Victor Farrell, "M" Club president, is in charge of general plans and committee chairman are David Murphy, decorations, and Bill Bennett, general chairman.

Admission is fifty cents per couple or single. Tickets may be purchased from any member or pledge of the "M" Club.

Epworth League Invites College Young People

The Epworth League of the Methodist Church is inviting all college young people to attend its fellowship supper at 6:30 o'clock Sunday evening in the basement of the church, Marcelene Wiley is mistress of ceremonies for the program to be held in connection with the supper. A small admission of five cents will be charged.

Following the supper a song-worship service has been planned at which the favorite songs of the members will be sung. There will be an installation of officers conducted by Rev. W. H. Hackman. A program has been planned which will give a preview of the attractions of the year to come.

Newman Club House Has Chili Supper Before Game

The girls of the Newman Club House enjoyed a chili supper Wednesday evening, January 7, before the basketball game.

The supper was planned by the social committee which consists of Gladys Ebert, chairman; Hattie Archer, Rachael Taul, Edwina Lawrence and Anna Helen Hefflin.

Dortha Gates Accepts New Teaching Position

Miss Dortha Gates who has been teaching in Bedford, Iowa, has accepted a position in the elementary schools in Elmhurst, Illinois, with a substantial increase in salary. She will begin her work there at the beginning of the semester.

Miss Gates, whose home is in Grant City, received her degree in Elementary Education from the College in 1936. She was a room teacher in the Horace Mann elementary school during the years 1937-1938.

Engineering and Deck Officers Are Required

The Navy needs 7,000 Seniors now in college, or college graduates as prospective officers. Seniors who enlist today will not be called to active duty before next June. They will thus have time to graduate.

In addition, the Navy needs 7,000 men now in their junior year in college as prospective officers. If such students enlist today, it is contemplated they may complete their education and graduate in 1943, before being ordered to active duty other than during the period their college is closed in the summer of 1942.

Junior and seniors who fail to complete their college work and fail to qualify educationally for midshipman training will either be transferred to another enlisted class of the Naval Reserve for which qualified, or be discharged, at the discretion of the Navy Department.

O'Neillians Meet to Practice

The O'Neillian Dramatic club met last Wednesday evening at Mr. Main's home to practice on the three act play, "George Washington Slept Here," which will be given during the earlier part of February. After play practice, a social hour was held.

Former Student in LIFE

Page 56 in this week's (January 12) LIFE magazine carries a picture of Violetta Weems, who was a student here last year. She is one of the 36 "Rockettes," a group of dancers, who are shown in patriotic costume on the music hall stage of Rockefeller Center in New York. Miss Weems is in the front row, sixth from the

Wholesale trade in Kansas City in 1941 was 26 per cent above 1940, the largest volume since 1927. Retail business showed a gain of 14 per cent and reached the highest level since 1930.

The Tulane-Newcomb, a capella choir is one of the most widely known musical organizations in America.

College Alumnus To-day Receives His Commission

Robert N. Jennings, A. B., Becomes Ensign in U. S. Naval Reserve.

Chicago, Ill., Jan. 15.—Robert Newton Jennings, son of Mr. and Mrs. William S. Jennings of St. Louis, Missouri, was commissioned as an ensign in the United States Naval Reserve today after four months of intensive study in the Naval Reserve Midshipmen's school at Abbott Hall, on Northwestern University's Chicago campus. He was one of 800 young men in the school's first commissioning ceremony since America's declaration of war against the Axis. Under the Navy's expansion program, 14,000 more college graduates will be similarly trained and commissioned as junior officers during the next two years.

Jennings was graduated from the Northwest Missouri State Teachers' College, Maryville, in 1940 with an A. B. degree. While at college he was very active in Y. M. C. A. work.

Studies pursued at Abbott Hall, one of the Navy's two reserve midshipmen's schools, include seamanship, navigation, and gunnery. Candidates for the two schools are selected from applicants between the ages of 19 and 28 who are unmarried and American citizens by birth. New regulations provide for the enlistment of third and fourth year college students for the V-7, or midshipman training program. Students enlisted under this plan will be deferred from active duty until they have completed their college education. All candidates must complete at least two semesters of college mathematics before qualifying for enlistment.

The other reserve midshipmen's school is aboard the U. S. S. Prairie State in New York City, where graduation exercises were also held today. Graduates of the two schools have inspired the respect and confidence of old-line Navy officers in their performance of duty. Three Naval Reserve ensigns were commended by Secretary of the Navy Frank Knox for their bravery and resourcefulness following the Japanese attack on Pearl Harbor. They were credited with taking a destroyer to sea in pursuit of the enemy after all senior officers on their ship had been killed or disabled.

Staff Adviser Attends Newspaper Convention

Miss Mattie M. Dykes of the English department, adviser to the staff of the Northwest Missourian, attended the annual meeting of the Northwest Missouri Press Association in St. Joseph, Friday and Saturday. She reports a good meeting with a fine attendance, considering the weather.

On Saturday, Miss Dykes taught her extension class in the English Language at the Young Women's Christian Association building in St. Joseph. Ten young women are enrolled in the class, which has been meeting regularly since October.

Alfredo Cruz Speaks to Inter-Americans Today

Alfredo Cruz, the Costa Rican student who came to the college early in the fall to major in physical education, will address this afternoon's session of the Inter-American Institute held at the University of Kansas City, Friday and Saturday. He is scheduled to speak at 2:30.

Mr. Cruz, speaking both as a representative of his own country and of the College, has chosen for his topic "The Relationships Between Costa Rica and the United States as Democracies."

Mr. Cruz will attempt to point out to the group just how the people of his country interpret democracy. He will, he says, liken the fight of all the Americas against totalitarianism to Joe Louis's recent title bout with Buddy Baer. The last line of his speech reads: "Like Joe Louis, we will be fighting for a title—Democracy."

Kenneth Crawford Would Enter Flying Cadet Unit

Kenneth E. Crawford, writing from Bakersfield, California, has asked for a transcript of his grades made during the years 1939 and 1940 in order that he may be admitted to the Flying Cadets unit of the Army Air Corps.

Private Crawford is working as an aviation mechanic at Bakersfield. His address is 525th School Squadron, Air Corps Flying School, Bakersfield, California.

Dr. Lowery Is Ill

Dr. Ruth Lowery of the English Department has been in St. Francis Hospital all of this week, suffering from a cold and sinus trouble. Latest reports are that she is improving.

Walton Johnson, editor of the Northwest Missourian, was ill with a cold and was absent from classes Thursday afternoon.

Agriculture Students Submit Final Reports

From the Horace Mann agriculture students come final reports for the year 1940-41, brought to the office of the Northwest Missourian by James Stiens, a member of the student group. The students have been working under the supervision of Mr. Robert T. Hubble.

During the year, the chapter completed 32 productive projects and 50 supplementary farm practices. The supplementary practices engaged in were culling chickens, feeding balanced rations, hauling manure to corn land, worming sheep, providing clean ground for hogs, pruning fruit trees and grapevines, and selecting purebred sires.

Total receipts for the year were \$4,627.27 and the total expenses were \$2,160.25, leaving a net profit of \$2,467.02 and a student labor income of \$2,612.93. The amount of self-labor on the projects amounted to \$145.91.

Following is a list of the five boys who had the highest incomes for the year 1940-41: Gaylord Jensen, \$456.53; Leslie Baker, \$168.88; Bruce Hall, \$159.48; Madison Fannon, \$133.36; and the McGinnis brothers, \$230.00 and \$115.55, respectively.

A comparison of the work of the agriculture students of 1940-41 with the prospects for 1941-42 will show that the work is increasing. Against the 20 sows and litters and 38 feeder pigs of the 1940-41 group, the 1941-42 students have 17 sows with 14 fall pigs, 33 sows to farrow next spring, and 34 feeder pigs.

The 1940-41 students had 1 beef cow and calf, 1 beef heifer, and 3 baby heifers; against those figures, the 1941-42 group has 4 beef cows to calve next spring, 2 beef heifers, and 22 baby heifers. The 1940-41 group had 59 ewes; the 1941-42 group has 141 ewes to lamb this spring. In addition, the 1941-42 students have 6 dairy cows, 24 hens, and 100 baby chicks and 40 acres of corn as projects.

Nephew Loses Life

Mrs. Helen Riek received word this week that her nephew in Texas had lost his life in a wreck caused by a collision of an automobile and a train. The nephew is the son of Mrs. Riek's sister, the former Miss Ruth Hankins.

Miss Iris Ebersole, who spent Christmas week with her parents in New Hampton, lost a blanket and some valuable mail which she left in her car while she attended a church program. She did not look her car; and when she returned to look it for the night, the mail and the blanket were gone. Miss Ebersole is a graduate of the College.

Gene Murray to Be Welder

Gene Murray, a Sigma Tau pledge, has recently dropped school to be an electric welder in Uncle Sam's line of defense. Mr. Murray is taking his training in Des Moines, Iowa, and will then enter Government service.

Ensign Rinehart Is Safe

Ensign Clark Rinehart, who is attached to one of the air fighting squadrons in the Hawaiian Islands, has cabled his wife the news of his safety following the Pearl Harbor attack. Ensign Rinehart is a former student of the College.

Scholarships valued at \$37,217 have been awarded to 103 students in the Columbia university school of medicine for the current year.

Approximately 5,000 workers were added to Kansas City's industrial payrolls during 1941.

Information About U. S. Naval Reserve Comes to College

Following is the information which has come about the qualifications for men who apply for appointment as Midshipmen, U. S. Naval Reserve and about the necessary procedure for enlistment. It would be well for men who are interested now or who may be interested later to clip this information and file it away.

A knowledge of this material may save time and disappointment. One young man of the College last week-end made a trip to Kansas City to enlist for this service, and because he had failed to take some of the necessary material with him, he was unable to complete his enlistment.

The Naval Reserve Act of 1938 provides for appointments in the grade of Midshipman, U. S. Naval Reserve, under regulations to be prescribed by the Secretary of the Navy. To further the provisions of this Act, a class of enlisted men in the Naval Reserve, designated V-7, has been established for the procurement of prospective candidates for appointment as Midshipmen, U. S. Naval Reserve.

Qualifications for Enlistment Applicants for enlistment in Class V-7 must qualify under the following requirements:

(a) Be native-born, unmarried, male citizens of the United States, not less than 19 and under 28 years of age, as of date of enlistment.

(b) Meet physical requirements for Ensign, D-V (G) or E-V (G), United States Naval Reserve, except that minimum height for Class V-7 is 65 1/2 inches.

(c) Meet educational requirements. They must possess one of the following degrees: Bachelor of Arts, Bachelor of Science, any Engineering degree, Bachelor of Philosophy, Bachelor of Business Administration, Bachelor of Commercial Science, Bachelor of Journalism, or Bachelor of Laws (provided the applicant's law course was preceded by at least 2 years of pre-law work at an accredited institution); must submit certified transcript of college record in substantiation of degree held, which must include at least 2 one-semester courses in mathematics of college grade (mathematics for which college credit is given toward a degree and not mathematics taken in secondary schools); and must submit credit for a course in Plane Trigonometry taken in any accredited school or college.

College juniors and seniors regularly enrolled may be enlisted prior to graduation provided they submit a certificate from the registrar of the school that they are attending that upon graduation they will have the educational qualifications required herein. They will be continued on inactive duty until they have completed the work required for their college degree.

(d) Be of good repute in their community.

(e) Agreed not to marry prior to completion of Reserve Midshipman training.

Making Applications Applications for enlistment must be submitted on NRB Form No. 24, Rev., accompanied by parent's or guardian's consent if applicant is a minor. These forms are obtained at Navy Recruiting Stations or Naval Reserve Recruiting Offices. All statements made in final signed applications for enlistment are held to be material facts, and any misstatement or omission of such material facts, or violation of agreement will be considered grounds for discharge. An accepted applicant who states that he has never been arrested or in custody of the police, will be discharged if it is subsequently shown that he has in fact been arrested or in custody of the police, regardless of the nature of the offense or non-conviction for the offense.

In addition to the application form, the following papers are required:

- (a) Properly authenticated transcript of college record (for college graduates only). Undergraduates will submit in lieu of a transcript, a certificate from the registrar of the school attended that upon graduation they will have the educational qualifications required herein.
- (b) Three letters of recommendation from responsible citizens who are in a position to testify as to the applicant's character, etc. These letters should be written on the business stationery of the person making recommendation.
- (c) Original or properly authenticated copy of birth certificate, baptismal certificate, or other acceptable evidence of native-born citizenship.

Enlisted Status

Applicants for enlistment as apprentice seamen in Class V-7, U. S. NR, will be given a preliminary examination at Navy Recruiting Substations. Enlistments, however, will be effected only at 202 FINANCE BUILDING, 1009 BALTIC-MORE, KANSAS CITY, MISSOURI, or at the headquarters of the various naval districts or other places designated by the Commandants of such districts.

Men enlisted as apprentice seamen, Class V-7, will receive the pay of their rating when ordered to active training duty and will be furnished transportation and necessary expenses en route.

Minnesota Man Says Men Lag Behind Ants

MINNEAPOLIS, MINN.—(ACP)—In a neck-and-neck race for survival man is lagging behind the ant, according to Prof. William T. Heron, a University of Minnesota psychologist.

"It seems to me that up to now the small-brained insects have been winning the race, he says. The reason for this, he explains, is that man-made civilization has gone in cycles while ants and similar insects—flies, social beetles and bees—have continued steadily for 15,000,000 years.

Their survival is due, Heron says, to control of reproduction and strict divisions of labor. "More organized than man's in some instances, man's civilization, however, developed because man's brain enables him to adapt himself to new situations, while ants' instinct is sufficient only to meet all situations in the same manner.

Polish Traditions Are Preserved by University

DETROIT, MICH.—(ACP)—Poland's wealth of folk traditions, with its tales, songs, dances, superstitions, and holiday customs, will be preserved for coming generations despite the war and the effacements of passing decades.

Through the efforts of the nationally known folklorist, Prof. Emelyn Gardner of Wayne University's English department, a group of research workers in Detroit are recording, on phonographic disks and in written reports, the life of old Poland as gleaned from the older generation of Detroit's 300,000 Polish descended citizens. Clubs, choral societies, dancing organizations, and drama groups interested in Polish culture have helped in the task of disentangling the material from newly acquired American ideas and customs. The material assembled is "folk" in the strict sense of the word, most of it never having been written in any language but handed down from generation to generation.

All candidates will receive approximately 30 days elementary training at some Navy activity prior to assignment to a Reserve Midshipman School. While undergoing such training, they will be furnished, at no expense to them, their initial outfit of uniform, clothing, and equipment. In their enlisted capacity, they will be given an insight into life aboard ship, and will be instructed in the fundamentals of military discipline and of naval customs and usage. They will also be under critical observation for indication of those basic mental and moral qualities considered necessary in candidates for commission.

Upon completion of the 30-day preliminary training, those apprentice seamen who for any reason are not recommended for appointment as Reserve midshipmen will be ordered home and immediately discharged, or upon their own request, transferred in an enlisted status to another branch of the Naval Reserve for which qualified. Those candidates recommended therefor will be appointed as Midshipmen, U. S. Naval Reserve, and ordered to one of the Naval Reserve Midshipman Schools for three months' further intensive training.

Pay and Allowances After being appointed a Reserve Midshipman and during the period under instruction each Midshipman, U. S. Naval Reserve, will be entitled to receive the same pay and allowance as midshipmen of the Regular Navy, namely \$780 per year and daily ration. From this pay, the Naval Reserve Midshipman will be able and required to provide articles of uniform, books, and clothing. Bedding, certain books, and other equipment will be provided by the Government.

Precedence Naval Reserve Midshipmen are officers in a qualified sense and take precedence next after Aviation Cadets of the Naval Reserve.

Benefits A Reserve Midshipman who becomes ill or contracts a disease in line of duty during the performance of active duty or training duty with or without pay shall be entitled, at Government expense, to such medical, hospital, or other treatment as is necessary for the appropriate treatment thereof, in accordance with law. Reserve midshipmen are entitled to apply for National Service Life Insurance when ordered to active duty for a period of more than 30 days, in the same manner as provided for officers and enlisted men of the Naval Reserve ordered to active duty.

Commissioning and Promotions Satisfactory completion of the prescribed course of instruction will qualify the Reserve Midshipman for a commission as Ensign D-V (G), or E-V (G), U. S. Naval Reserve, i. e., deck officer, engineering officer, or deck and engineering officer of the Volunteer Reserve for general service. Thereafter, promotion will be in accordance with the regulations governing promotion of officers of his class.

Active Duty Members of the Naval Reserve obligate themselves to serve in the Navy in time of war or when, in the opinion of the President, a national emergency exists. By joint resolution of Congress, dated December 8, 1941, a state of war now exists.

Professor Lists Rules for Morale

Northwestern Man Says War Fright Is Like Stage Fright.

Seven rules for maintaining wartime civilian morale have been outlined by Dr. Irving J. Lee of Northwestern university, an expert on the psychology of anxiety. For a number of years Dr. Lee has applied the principles back of these rules to many cases of stage fright with amazing success.

"The position of many Americans today," he points out, "is analogous to that experienced in stage fright. This situation, if permitted to continue, might lead to a deterioration of civilian morale."

Points to be remembered by all civilians during the crisis are:

1. Center your attention on your task-at-hand and seek new ways of helping.
 2. Don't feel that the whole burden rests on you. Just do something, however small, and the net result will be great.
 3. Worrying about a situation dissipates your energy, leads to more worry, and saps your efficiency for necessary work.
 4. Don't expect too much. Prepare for bad news. It isn't the pain, but the surprise coming of the pain that hurts. Remember that the anticipation of danger has a protective effect.
 5. Question all rumors. Don't let them affect you emotionally.
 6. Trust those in authority. They are the only ones in a position to know the facts.
 7. Don't worry near children. They are easily excitable and spread anxiety quickly.
- Just as an inexperienced public speaker allows his worry about the audience or his own failings to distract his thoughts from the talk he is to make, so many civilians dissipate their energies worrying about conditions they cannot control and lose their effectiveness for necessary duties.
- Civilians often worry so much about war conditions that they lose efficiency in their work and their personal lives. This increases their anxiety. Any prolongation of worry leads first to inefficiency, then to personal breakdown. At a time when America needs the full efficiency of everyone, it is essential that we realize what our immediate task is and do not allow worry to distract us.

Lieutenant Commander Sends Notice to Men

Lieutenant Commander Webster Wright, senior member of the Naval Aviation Cadet Selection Board, 1210 Bryant Building, 11th and Grand Avenue, Kansas City, Missouri, sends out the following notice to college men:

Sophomore Men "You may enlist for Navy Flight Training—and then complete the college year—providing you can present a statement that there is every reasonable expectation of your completing the Sophomore Year with 50 per cent or more of the credits necessary to graduate a four-year course with a degree."

Juniors and Seniors "You may be enlisted for Navy Flight Training and deferred from call to active duty until completion of the current college year, if you so desire.

"Enlistment automatically withdraws you from the Draft. "Navy Flight" Training leads to a Commission as Ensign in the Naval Reserve. (Pay \$245.00 to \$300.00 monthly).

Bearcats Tangle With Strong Cape Girardeau Club Tonight

Indian Team Has Five Veterans in Starting Line-up

Bearcats Can Win If They Hit As in William Jewell Game.

Bob Gregory Is in Suit

High Jump Champion, H. Mulkey, Is Center for Indians, and He Will Bear Watching.

Tonight Coach C. P. Harris's Cape Girardeau Indians invade Bearcat Land for a go at Maryville's improving Bearcats. It will be the second league game of the season for the Bearcats, the first of the New Year.

Had tonight's game been called earlier, those in the know would doubtless have rated the Bearcats only an outside chance of winning it. But since the Christmas holidays, prospects in the Bearcats camp have begun to look much brighter. So, judging from the past performances of both clubs, tonight's contest should be quite a tussle.

The Indians have shown plenty of scoring punch in their games so far. Against opposition of the first water, they have been able to win their share of the ball games. Of the first six contests which they played, they won 5 and lost 1, and they built up a total of 220 points while they were doing it, meanwhile holding their opponents to only 158 points.

The Bearcats will gain the services of one varsity player for the game and lose those of another, Bob Gregory, who was out of the Rockhurst tilt with a cold, will be back in the harness tonight, but Blackie Myers speedy Bearcat forward, will be away taking his physical examination prior to trading his pretty green basketball suit for one of Uncle Sam's army uniforms.

Speaking of his team's chances tonight, Coach Stalcup broke his usual non-committal attitude to state that if his club were hitting as they did in the William Jewell game, they could beat anybody. That doesn't mean he's prophesying anything. It simply means he thinks his club has a good chance if the conditions are right.

Mr. Stalcup also thinks that Mr. Harris was underestimating his team considerably when he said that he thought it was a well balanced team, but not of championship calibre. Said Mr. Stalcup, "A team with the fine record the Indians have

Bearcats, 28—Wichita University, 19
Bearcats, 46—Kansas Wesleyan, 38
Bearcats, 43—Baker, 40

Maryville Takes Rough One Against Rockhurst Monday

Johnson Sets Pace With 15 Points, As Win Is Chalked-up.

The Bearcats had little difficulty in administering a 51 to 37 drubbing to the Hawks of Rockhurst College, Kansas City, Monday night. The game was of the rough and tumble variety with a total of 38 fouls being called on the two teams, 14 on the Bearcats and 24 on the Hawks.

Eddie Johnson sparked the Bearcat offensive with a total of 15 points. He received plenty of aid, however, from John Rudolph and Joe Lauchis, who bagged 11 and 10 points, respectively.

For the most part, the Bearcats concentrated on a set offense, and their set plays were working smoothly. Only the fact that they were not hitting quite as effectively as they did in the William Jewell game kept the score from mounting even higher.

The outcome of the game was never in doubt. The Hawks got control of the opening tip-off, but Spink, who caught the tip from center, took too many steps, and the ball was given to Maryville out-of-bounds. Immediately thereafter, Schottel and Eddie Johnson hit set-ups to give the Bearcats a 4 point lead. And then the Bearcats went on gradually to improve on their position. The period ended with Maryville on the long end of a 25 to 18 score.

Three minutes after the beginning of the second period, Frank Myers, Bearcat pivot man, committed his fourth foul and left the game. In to fill the gap, came long John Rudolph, the gangling freshman from Atchison, Kansas. And fill it he did. Rudolph was hot. He hit for 9 of his 11 points all within a period of some 6 or 7 minutes after he entered the game. Most of his buckets were from down under the basket.

In the closing portion of the period, the Hawks were flinging the leather at the hoop with reckless abandon. But they were unable to improve on their position, and the Bearcats maintained their advantage. In the final Hawk drive, both Wilbur Fry and Clarence Cernech made too many fouls and had to be ejected from the game.

It was Captain Eddie Johnson whose 15 points and whose fine passing and general all-around good play sparked the Bearcat game all the way. Joe Lauchis played a steady game, getting his full share of points, and Rudolph's last half spurt certainly came in handy.

It was George Spink, a 6 foot 3 inch curly haired forward, who was the thorn in the Bearcats' side as far as the Hawks were concerned. He connected for 13 points, hitting some one-handed twist shots from near the free throw line which were indeed beautiful.

The box score:
Maryville (51) G F T P
Lauchis, 15 10 18 10
Johnson, 15 10 18 10
Rudolph, 11 10 18 10
Spink, 13 10 18 10
Myers, 11 10 18 10
Cernech, 10 10 18 10
Fry, 10 10 18 10
Totals, 111 10 18 10
Rockhurst (37) G F T P
Schottel, 10 10 18 10
Harris, 10 10 18 10
Mittel, 10 10 18 10
P. Myers, 10 10 18 10
Rudolph, 10 10 18 10
Johnson, 10 10 18 10
Cernech, 10 10 18 10
Fry, 10 10 18 10
Totals, 70 10 18 10

Free throws missed: Lauchis 2, Johnson 2, Rudolph 4, Johnson 4, Wilson 3, Cernech, Meyers of Rockhurst 2, Cernech, Mittel, Mitchell.
Officials: Soph. Warrensburg; Stahlin, St. Mary's.

Government sources have indicated the 1941 arm income was \$11,200,000,000. This figure is 22 per cent over 1940 and is greater than any year since 1920 except 1929. A further increase to \$13,000,000,000 is forecast for 1942 unless abnormal weather interferes. That would be the highest on record with the exception of 1918 and 1919.

Dime payments seen to be a hobby with Charles Shawver of Warrensburg. He recently purchased a 1939 Ford sedan and paid for it with an accumulation of dimes, making the fifth automobile he has bought from the same agency and the fifth one he has paid for with dimes.

Dr. Rose L. Mooney, associate professor in physics at Newcomb college of Tulane university is the first woman physicist to have received a Guggenheim fellowship.

Smith college, in a move to conserve fuel for defense, has appointed "heat cops" to close windows in the morning and to watch temperatures throughout the day.

Samuel G. McLellan, 20-year-old Harvard college senior, went on a five-day fast to obtain material for a thesis entitled "How It Feels to Starve."

Twenty-six states are represented in Bennington college's freshman class.

Heads National War Labor Board

Chief of President Roosevelt's new War Labor Board is William H. Davis, former chairman of the National Defense Mediation Board.

Who's Who in W. A. A.

The Women's Athletic Association continues its practices for women's basketball and anticipates the battles that will be coming soon in the Intra-Mural tournament. Practices are held on Monday and Thursday nights at 7:00 o'clock and all women are welcome to come. Due to Bearcat basketball games some of the practices are postponed.

Swimming Club Changes Time for Its Meetings

The Sigma Phi swimming club will meet every Wednesday night during the winter quarter at the gym at 7:30 o'clock. The original night for this meeting was on Monday, but it was changed because of a conflict with W. A. A. basketball.

Plans are being made for the annual swimming demonstration to be given in the spring. This demonstration is usually a part of the program for Senior Day.

The picture of the group for the 1942 Tower was taken at the meeting Wednesday night.

Quitman Beats Cubs in Friday Night's Contest

Coach Harry Darr's Horace Mann Cubs went down in defeat at the hands of Quitman last Friday night in a West County League game. The score was 32 to 21.

Jensen and Jack Dieterich led the scoring for the Cub five with 9 and 8 points, respectively. Bud Lininger of the winners was high point man with 11 points to his credit.

Physiology of Ants Is Subject of Discussion

DALLAS, TEXAS—(AOP)—New light on the physiology of ants through a decade's observation of the famous colony of ant mounds at Palos Park, Ill., was reported here by Dr. William A. Dreyer, assistant professor of zoology, University of Cincinnati.

Prof. Dreyer outlined his studies in a paper on "Further Observations on the Occurrence and Size of Ant Mounds With Reference to Their Age" before the Ecological Society of America at its recent annual meetings at Dallas.

The Illinois colony, which has attracted attention of scientists for more than 30 years, covers about one-sixteenth square mile and has an ant population of at least 5,000,000 to 6,000,000 insects, Prof. Dreyer said.

Acknowledgment of Error
In reporting the marriage of Miss Sarah Ruth Kelley, the Northwest Missourian made an error. The former Miss Kelley is the daughter of the former Miss Mattie Clayton.

We Mean It
Adolf and Benito, please take note: America won't be your slaves. For even with your Japanese Pals, You cannot beat our Navy!
—The Indiana Statesman

Seniors have stack privileges in the Midland college library for the first time in recent years.

Mathematics, Greek and Latin made up the first curriculum of the University of Michigan.

IT'S GODSEY'S for Photographs

Intra-mural Teams Are Stronger Now

Round Robin Tournament Has Fourteen Teams Ready to Go.

Fourteen ball clubs have entered the intra-mural Round Robin basketball tournament which got under way Tuesday night. The Hash Slingers, managed by Eddie Johnson, who were winners of the pre-season tournament are the favorites to repeat the feat now that the regular season has started.

But the Hash Slingers are now without the services of Howard Glavin who sacked up fourteen points in the final game with the Sigma Taus. He's now sacking up more points for Mr. Stalcup's varsity squad. And some of the other clubs such as little Jack Padilla's "K. P.'s" and John Quinlan's Sigma Taus are expected to furnish the Hashers plenty of competition.

Most of the clubs in the loop have added new players to strengthen their positions. And two new clubs, the Tigers and the G. C. Dunkers have signed on the dotted line. Nothing is known of the strength of the new comers; so they may be the boys to watch.

The teams entered in the tournament and their managers are: Sigma Taus, John Quinlan; Rangers, Ralph King; Hash Slinger, Eddie Johnson; Hawkeyes, Marvin McElhiney; Aces, Emerald McKay; Phi Sigs, Jack Garrett; K. P.'s, Jack Padilla; Y. M. C. A., Mack Jackson; Dive Bombers, Jim Woodburn; Flashes, Bill Osburn; Sky Hooks, Harvey Thompson; Blue Devils, Glen Wengert; Tigers, Heckman and Brady; G. C. Dunkers, Vic Farrell.

The intra-mural commission will decide on all questions, such as questions on eligibility, which may come up.

This Collegiate World

(By Associated Collegiate Press)

When Jessica Dragonette appeared at Kent State university (Ohio) to present a voice concert, she received a new addition to her collection of hats with meanings.

The addition was a Kent State 1945 freshman link. Robert Byrne, president of the freshman class, presented the link to Miss Dragonette at a press conference.

Southeast Missouri State Teachers college (Cape Girardeau) has reduced freshman failures in chemistry 75 per cent since organization of a drill in chemistry three years ago.

That is the appeal being made by two enterprising Brown university students who are setting up a book-returning service—for a price, of course.

Martha Butler Child, 91, second woman to be graduated from the University of Minnesota, died recently.

A grant of \$4,450 by the U. S. public health service to Loyola university will be used for expansion of field training of students in public health nursing.

Fifty-six students at Cornell university have received John McMullen regional and industrial scholarships with variable stipends up to \$400 a year.

Gifts of \$9,200,000 have been reported to the University of Chicago fiftieth anniversary fund, out of a final goal of \$12,000,000 to be raised within the next ten years.

The department of tropical medicine at Tulane university school of medicine is becoming one of the most important in the world since most European schools are closed because of the war.

University of Michigan first undertook inspection of high schools in the state in 1870.

SECOND LAP

INDUSTRY 1942

INDUSTRY 1941

Random Shots

This column devoted considerable space last week to the attempt to build up some interest in the Bearcat-Kansas Wesleyan game which was to have been played Monday night. But our wires were crossed and the game was, of course, called off.

We're sorry, not only because we think the fans missed what would have been an excellent exhibition, but also because we wasted a great deal of space. However, since the game was one of what was to have been a home and home series of two games, and since Wesleyan reneged on the agreement, Coach Stalcup retaliated.

Next week the Bearcats invade Kansas to tangle with the teams of Washburn College at Topeka and the Emporia Teachers Hornets of Emporia.

A good indication of what might be the outcome of the Washburn battle is indicated in the score of a recent Emporia-Washburn game. Washburn was on the short end of a 40 to 20 count.

Going back to the Emporia-Bearcat encounter, December 15, which the Hornets won 38 to 28, indications would seem to be that the Bearcats should take the Ichabods into camp by a fairly handy score. For certainly the Bearcat machine is a better one than it was on December 15.

However, the Topeka team has an excellent coach in Dee Erickson. Since he came there in 1936 when basketball was at a new low at the institution, the caliber of basketball played by the Ichabods has picked up considerably. And this year they have a tall center named Lane who will bear considerable watching. So

A New Kind of Slavery

It was Thursday afternoon and Miss Milly, who cleans for almost everybody in town, was just finishing up in my kitchen. I hoped I'd find her there when I got home from the club meeting where we'd been talking about the coal strike. I always like to talk to Miss Milly.

She comes from an old, substantial family and, though she has had a hard life, there is a wealth of wisdom in her philosophy as well as pride in her work. Today I wanted especially to hear what she had to say on the disturbing problem we had discussed.

She had just finished mopping the kitchen floor and had stopped for a moment to admire her work when I opened the door.

"It looks nice, Miss Milly," I remarked.

"Don't it though. But then, this is mighty rewardin' linoleum. A little work, and it comes out as bright and fresh as it was when it was new."

"When you do the mopping," I reminded her.

"Course I always try to do good work. It wouldn't be much satisfaction to work like I do if I didn't know it was good. Money ain't everything, you know."

And then I brought up the subject of strikes.

"How would you like it, Miss Milly, if some day when you were ready to start out to work here, some one came along and told you no . . . you couldn't come . . . that

New Jersey has awarded scholarships to Rutgers university and New Jersey College for women to 30 physically disabled young men and women with high scholastic records.

Coal can be pumped through pipelines instead of shipped in cars, suggests Prof. H. E. Babbitt of the University of Illinois.

Prof. Charles H. Best of the University of Toronto, co-discoverer of insulin, was the first to demonstrate that choline is essential in the living body to utilize fat.

Hashers and Taus Are First Winners

Tourney Favorites Open Intra-Mural League With Victories.

The second round of the intra-mural basketball tournament got off to a flying start Tuesday night when the Hash Slingers and the Sigma Taus, winner and runner-up respectively of the pre-season, both coming out victorious in their opening engagements.

The first game which began at 8:15 found the Taus pitted against the Rangers, and a fine battle ensued. The Taus managed to come out with a 3 point advantage over their rivals, however. The final score was 19 to 16.

The Tau scoring was very evenly divided with Jim Corken's seven points giving him a slight advantage over his team mate, Bob Elsenminger, who had five. But it remained for "Mike" Boswell of the Rangers to lead the scoring for both clubs. He rammed in four field goals for a total of eight points.

The Hash Slingers drew the Hawkeyes in the second and final game, and were able to win by the fairly handy margin of 30 to 21. Pacing the Hashers attack was Malone, who had 10 points, but every member of the Hasher's squad was able to contribute at least one basket to the cause.

Charley Hellerick led the loser with eight points. He was ably aided by Nixon, who bagged six.

The results of Wednesday's and Thursday's games are not available for this issue.

The box scores:

Sig Tan's (10) G F T P
Adams, 10 10 18 10
Teery, 10 10 18 10
Eisenminger, 10 10 18 10
Harrison, 10 10 18 10
Phares, 10 10 18 10
Corken, 10 10 18 10

Russell, 10 10 18 10
Preston, 10 10 18 10
Totals, 60 10 18 10

Texas Christian Will Inaugurate New Head

FORT WORTH, TEXAS—(AOP)—Formal inauguration ceremonies for Dr. M. E. Sadler as president of Texas Christian university have been set for April 8 and 9.

Colleges and universities throughout the nation will be invited to send representatives.

Dr. Sadler succeeds President E. M. Waits, who retired after serving 25 years as head of the school.

Secretary Return

Doretha Henry, a senior, who works as secretary for the committee on recommendations, has returned to the College after an illness which began during the holidays. She became ill in Chicago, where she was spending the Christmas vacation with an aunt and was unable to return until this week.
